BRIEF ABSTRACT OF LETTER.

Requests sanction to the temporary transfer of the 3rd class Travellers Bungalow at Sagar Kotte to the Railway Construction Department as that Dept. has promised to repair the building & hand it back to the Dt. in a fit state for occupation after the Railway Construction is over.

NOTES AND ORDERS

The Travellers Bungalows in question is situated on one of the important D. 7 roads viz. Hassamal road at a distance of 16 1/2 miles from it. There is no other accommodation for travellers at the place. But the Executive Engineer Railway Construction

I. Read correspondence ending with letter No. 98/M 22-dated 23-1-14 from the Executive Engineer Mysore-Arsikere Railway No. 1 Division Mysore requesting permission for the occupation of the 3rd class Travellers Bungalow at Sagarkatte by the Railway staff till the Railway construction work is over and stating that the bungalow will be handed back in a fit state of ----- occupation by executing necessary repairs to it .

Read also letter No. 438 dated 14-2-14 from the Special Land Acquisition officer, Cauvery Reservoir Works stating that the building is required for the use of the D.P.W. Staff ----- engaged on channel works.

It was resolved that as the Executive Engineer Mysore-^{Railway} Arsikere Line has promised to execute necessary repairs to the building and hand it over back in a fit state of occupation and as the building in its present condition will not be of much use to others than to the Railway staff engaged in Bridge works in close proximity to it, the building might be made over to the Executive Engineer Railway Department on the terms offered by him.

Letter No. 662 dated 20-12-1913 from the Executive Engineer
Mysore Arsikere-Railway, No. 1 Division Mysore to the Deputy
Commissioner, Mysore District.

"

Sir,

With reference to your No. 155 dated 1/2-12-13 informing
me of the decision of the District Board, regarding the old ----
Travellers' Bungalow at Sagarkatte, I beg to enquire whether you
are aware that the building has been practically abandoned for
some time and is quite unfit for occupation,. The outhouses ---
have no roof and the walls have fallen.

I would bring to your notice that it will be most uncomfor-
-table for anyone other than those engaged on the Railway Bridge
to occupy the bungalow after repairs and I am confident no ---
others will occupy it. The bridge will abut close up to the
bungalow and there will be large numbers of people at work all
round it.

I would ask you again to reconsider the matter and let me
have the building. I will hand it back at the completion of the
Railway in a fit state for occupation. If the Board repair it
now, it will only be used by the Railway staff and if not repaired
it is simply blocking up valuable space. "

"

Sir,

With reference to your No. 207 dated 27-12-13, I have
the honor to enquire whether you have found it convenient to
inspect the dilapidated Travellers' Bungalow at Sagarkatte.

I have been anxiously waiting to hear from you that I may
have the use of the building during the period of Railway -----
Construction Work. I would again repeat that even if the District
Board retain the Bungalow and repair it, it will only be used by
the Railway staff owing to the Bridge works being in such close
proximity. I also repeat that I am willing to hand back the
Bungalow at the close of construction work in a fit state for
occupation. I have postponed the construction of staff quarters
at this place, expecting to hear from you regarding the handing
over of the building. Considering the urgency of the matter,
may I suggest that as President of the Board, you will be pleased
to let me have the building at once on the terms offered "
